COCINA MEXICANA

Chingón Tacos is a window into the vibrant flavours and colours of Mexican gastronomy. Head Chef Daniel Vargas grew up in his brother's taqueria in Mexico City and he is now bringing to London regional dishes, delivered with authenticity, using the finest ingredients imported from Mexico. Our menu is inspired by the incredible regional diversity of the Mexican cuisine: from the ceviche dished of the Pacific Coast to the Cochinita synonym with Yucatán Peninsula.

There is no less love shown to the drinks at Chingón Tacos, with an extensive list of Mezcales and Tequilas, delicious margaritas and traditional refreshments including Mexican beers, Micheladas (beer cocktails) and thirst-quenching Frescas.
